Transform Broken Jewelry into Pins and Pendants

Time to reuse and recycle! Learn a variety of techniques to "clean up" broken earring bits, repurpose out of style pins, disguise missing stones and give new life to broken necklaces. You'll learn techniques for joining materials (mechanical joints), using chemically stable paints, discovering faux metal treatments, and more.

This 1 1/2 to 2 hour hands on workshop will teach you a variety of techniques that "repurpose" old jewelry and create unique pins and pendants to match your style.

What you'll need to bring:

- Your broken, orphaned or junk jewelry.. pieces should be no larger than 1 1/2"
- A small bottle of Loctite Super glue

What we'll supply:

- Wire cutters, round nose and bent nose pliers
 - Aluminum Filigree in 3 Different Shapes
 - 4-5 Colors of 26 gauge wire
 - Head Pins and Eye Pins
 - Small Crystals and dyed freshwater pearls
 - Rhinestones and Cabochons to glue on
 - Pinbacks and Jumpings and Chain
- Each person will be able to make 2 pieces.

\$15 per person, (minimum 5 people).

Miniature Wire Holiday Wreaths

This workshop takes you through the construction of tiny, 2" diameter wire wreath pins. Tools provided. Tiny wreaths are a perfect gift for folks at the office, your child's teacher, and just about anyone who you want to treat, but not spend a fortune. Each attendee will receive enough material to make 2 wreath pins, with written instructions to create them at home. Perfect for holiday gift giving.

\$15 per person, materials included.

"Charming" Earrings

Make earrings with beads and charms! Choose from over 200 charms or beads and learn to make simple earrings. We supply the tools, ear-wires, beads and charms. You supply the fun!

Priced so each person can make 4 pr. \$15 per person, minimum 5.

Workshops: \$15 per person, (minimum 5 people) materials included or a flat fee of \$75 and i will bring enough materials for 6 people. Supply kits will be available for those wanting to create more pieces at home
